

Portfolio Information

Acceptable portfolios are scored 1-4, with 4 being the highest rating. A score of 1 is given to portfolios that show evidence of ability to succeed in Moore's Foundation level courses, and basic understanding of fundamental visual art and design principles including grasp of:

- Composition
- Value
- Contour lines
- Proportion
- Perspective

A score of 4 is given to portfolios that show advanced understanding of the visual art and design principles listed above, but will also address:

- Figure to ground or object to space relationship
- Texture
- Depth or field of space
- Color
- Advanced concepts and ideas
